Inside HOPING

Factory & Production Overview

走进海博 | 工厂与生产概览

Kitchen appliances | OEM/ODM cooperation

厨房小家电 | OEM/ODM 合作

Assembly. Packaging. Testing. Injection molding.

01 / ASSEMBLY

Assembly line

产品装配生产线

A closer look at product assembly.

Operators work along the assembly line,
with components and tools at individual workstations.

装配人员沿线作业，工位配有零部件及作业工具。

02 / PACKAGING

Packaging line

包装生产线

From assembled products to packed cartons.

Conveyors and carton-sealing equipment show the packaging stage of production.

输送线与封箱设备展示产品包装环节。

03 / TESTING

Product testing

产品检测

Discuss test requirements for your target market.

An operator uses bench instruments to carry out a product check.

操作人员使用台式仪器进行产品检测。

04 / MOLDING

Injection molding

注塑生产车间

Explore component requirements for your project.

A view of injection molding machines
and the surrounding production workspace.

注塑设备与周边生产作业区域实景。

Your next kitchen appliance project

交流您的下一个厨房小家电项目

OEM/ODM cooperation for importers, distributors and private-label brands.

面向进口商、分销商与自有品牌客户的 OEM/ODM 合作。

Tell us what you need

01 Product type & target market

02 Key specifications & customization needs

03 Estimated quantity & delivery schedule

请告知产品类型、目标市场、关键规格、定制需求、
预计采购数量及交付时间。

Message us on LinkedIn to start the conversation.

欢迎通过领英私信交流采购需求。

Project scope, specifications and timelines are confirmed case by case.
